

## Preauthorization Questionnaire

1. Volume of preauthorization requests for treatment outside the treatment guidelines (please express in terms of requests per week or month).
2. Types of services now subject to preauthorization due to 134.600 (p)(12). Estimate percentage of requests for:
  - Office Visits
  - Pharmaceuticals
  - Radiologic diagnostics
  - Other (please enumerate)
3. Are the preauthorization requests for treatment outside the guidelines in essence a "treatment plan" or is the request limited to a specific service?
4. Are physicians/health care providers and/or carriers using ODG's UR Advisor, and if so, how?
5. How are physicians/health care providers and carriers using MDA in the claims administration process?
